CIVILIANS EVACUATING TO A TRAIN

During the First World War, many people's houses had been destroyed by the Luftwaffe and forced other cities to evacuate. This meant people had to abandon their homes and find a new place to stay.

1. **Children were lined up and let local people choose which child they will foster**

2. **Leaving a place of danger**

3. **For 4 days, the government took over Britain's transportation system to move groups of evacuees from the danger zones in...**

4. **The number of people that were evacuated by the government were mostly...**

5. **Pinned onto a child, it contained details such as name, home address, date of and school attended.**

6. **The place where evacuees are going to**
