EVACUATION

AN INTERACTIVE WORKSHEET

INSTRUCTIONS

Drag & drop the answers to the correct boxes

During the First World War, many people's houses had been destroyed by the Luftwaffe and forced other cities to evacuate. This meant people had to abandon their homes and find a new place to stay.

CIVILIANS EVACUATING TO A TRAIN
1. Children were lined up and let local people
choose which child they will foster
2. Leaving a place of danger
3. For 4 days, the government took over
Britain's transportation system to move groups
of evacuees from the danger zones in
4. The number of people that were evenuated
4. The number of people that were evacuated
by the government were mostly
5. Pinned onto a child, it contained details such
as name, home address, date of and school
attended.
