

TASK 12:

For questions 1-5, choose the best option (A, B, or C) to complete each statement about L1 or L2 learning.

1. L1 learners' friends and families

- A) Often correct the learners' mistakes
- B) Often reformulate the learners' mistakes
- C) Often discuss the learners' mistakes with them

2. L1 learners' motivation to learn their first language

- A) Is part of their wish to communicate
- B) Varies according to their personality
- C) Comes from their wish to learn school subjects

3. L1 learners' long silent period helps them to

- A) Avoid making mistakes
- B) Produce complex grammatical structures
- C) Become familiar with language patterns

4. Some L2 learners prefer formal language learning to acquisition because

- A) They have an analytical learning style
- B) They like taking risks
- C) They will learn autonomously

5. L2 learners' errors

- A) Are always very similar to those made by L1 learners
- B) Can sometimes fossilize
- C) Need to be corrected immediately
