Norilsk is a city (0) *on / in / at* Russia and (1) *it's / it has / he is* in the Arctic Circle. (2) *It / Its / It's* population is a bit (3) *at / on / over* 175,000 and most people (4) *is / are / be* miners. The city (5) *isnot / isn't / isnt'* very big, but it has a museum, cinemas and an art gallery.

In summer, there (6) *are / be / is* no night from 21st May to 24th July – the sun is always in the sky. In winter, there is no sun from 30th November to 13th January. Norilsk (7) *s' / 's / s* climate is usually very cold, but in summer the temperature (8) *is / be / are* around 20°C. The long warm days and sunny nights (9) *are / is / be* very nice. If (10) *he / you / they* want to visit Norilsk, it's not possible, because only Russians and people from Belarus can go.

## Reading

5 Read the article about two countries. Are the sentences 'Right' (A) or 'Wrong' (B)? If there is not enough information to answer 'Right' or 'Wrong', choose 'Doesn't say' (C). There is an example at the beginning (0).

### The world's oldest country

The country with the oldest population in the world is Japan. Some people in Japan live to be 112! About 25% of Japan's population is over 65, and around 55,000 people are 100 years old or more. The average age of the population is 47 years old. Scientists say that Japanese people often work in groups, so they have friends. People with good friends are generally happy. Many people in Japan eat well, scientists

say, with fish and vegetables, and drink tea and water. 66% do exercise. Japan's climate isn't hot or cold. Families are small but relationships in the family are good.

### **The world's youngest country**

The country with the youngest population in the world is Niger. People speak French in Niger and the country's capital city is Niamey. Africa's people are young in general, but in Niger the average age is fifteen. It's a very hot, dry country, but most people work in agriculture. 21% live in towns or cities. 49% of Nigerians are under fifteen; many families have seven children. When there are a lot of children in a country, you have a problem – no money for schools. Over 71% of the population can't read.

0 Children speak French in Niger.

**A Right**                      **B Wrong**                      **C Doesn't say**

1 Many Japanese people are over 100 years old.
