

## Mindset B2 – Unit 5

### Vocabulary 3

1. Write the words or expressions that mean the same.

1. gas station = \_\_\_\_\_
2. taking a lot of time to do = \_\_\_\_\_
3. next to each other = \_\_\_\_\_
4. undoubtedly = \_\_\_\_\_
5. beautiful , very impressive = \_\_\_\_\_
6. walk without hurrying = \_\_\_\_\_

2. Read and complete with the correct collocations. There is one extra.

emergency services      traffic congestion      health centre  
inner city      pedestrian zone      rush hour

I live in the \_\_\_\_\_. The other day, I wasn't feeling well, so I went to our neighbourhood \_\_\_\_\_, and when I got home I saw smoke in the park opposite my house. I called the \_\_\_\_\_ and asked for the fire department. It took them a while to get to me because it was \_\_\_\_\_ and there was a lot of \_\_\_\_\_. Fortunately, it wasn't serious.

leisure facilities      living space      street lights  
rural area      driveless vehicles      pedestrian zones

Living in a \_\_\_\_\_ is great because there is usually a lot more \_\_\_\_\_ for people. We don't need special \_\_\_\_\_ and there aren't many \_\_\_\_\_ because there's very little traffic. On the downside, in the country, we don't have many \_\_\_\_\_ and I have to go to the city to see a film.
