

# It drives me crazy!

MAIN IDEA

**A** Listen. People are talking about rude situations. Number the situations from 1 to 5. (There is one extra situation.)

INFERENCE

**B** Listen again. What would the people probably say about the situations? Check (✓) the correct answers.

	"It doesn't bother me."	"It bothers me a little."	"It drives me crazy!"

2.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

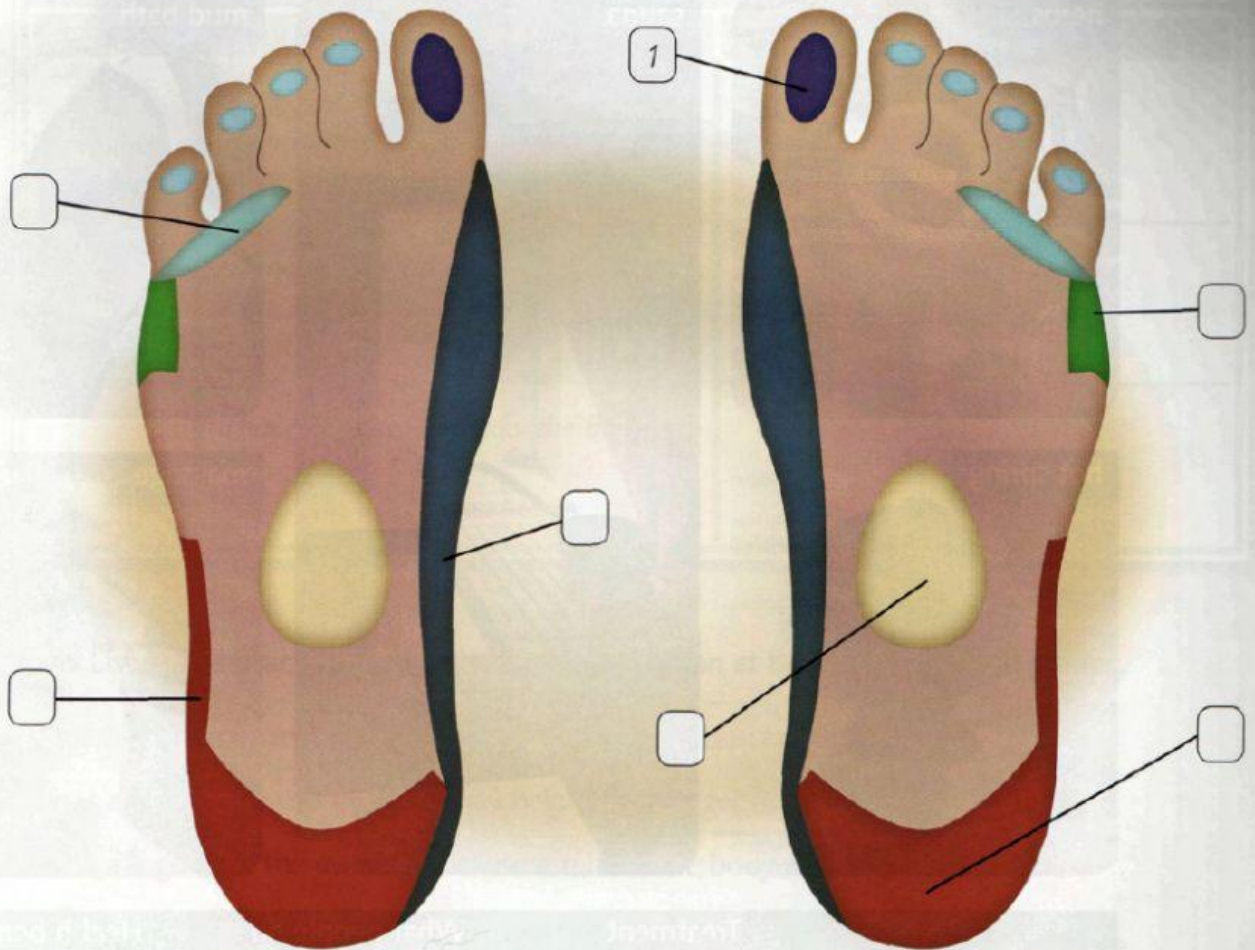

# Reflexology

## MAIN IDEA

**A** Listen. People are talking about the health benefits of reflexology. Number the areas of the feet from 1 to 5. (There are two extra areas.)

## DETAILS

**B** Listen again. What health problems can reflexology help? Write the health problems.
