Directions. Listen and follow each corresponding direction. **You only have one chance to do it.**

Exercise 1

People are talking about MONEY. Listen and type the missing vocabulary words. **11 pts.**

MONEY

"Money _____ the world go round." I wonder if this famous English _____ is very true. If you have money, the world _____ round very gently and you are happy. If you don't have money, the world might not go round so smoothly. They also say that "money is the root of _____ evil". I think this is so true. Money makes people _____ and steal. Greed means there are things in the world like blackmail, corruption, slave labor and a lot more _____ thing. Another common saying in English is "money can't _____ happiness". I'm not so sure _____ this one. I know if I _____ loads of money, I'd be pretty happy. I think if all the world's money was shared out, the world would _____ round more happily, and there would be less evil and more _____.

Exercise 2.

People are talking about managing money. Listen to the audio and type the corresponding vocabulary word on each correct space. 7 pts.
