

Fill in the blanks.

a $14 + \square - 10 = 12$

b $6 \times 3 + \square = 21$

c $\square \div (11 - 4) = 8$

d $12 \div \square + \square \times 9 = 33$

e $\square \times (7 + \square) \div 5 = 4$

f $(9 - \square) \times (21 \div \square) = 35$
