CLOTHING

Clothing is something we all should wear to fit in to society. Clothes are easily accessible and can be bought in most high street shops. Supermarkets are also beginning to sell clothes. Clothes are for keeping people warm or serving as protection from the strong burning sun. Certain items of clothing can be (1) _____, especially if it is made by a well-known brand or is a particular design. While clothing is affordable for most people, the price usually depends on the quality of the material used to make the item and its brand name. Material such as (2) _____, linen and animal (3) _____ are more expensive because are more natural than other materials.

The type of clothing that is worn usually depends on the occasion. People that attend a wedding usually wear (4) _____ clothes. Men often wear suits and women wear dresses. Formal and smart clothing is often worn in times of celebration. People often wear different clothing at work. Some jobs require people to wear a special uniform which should be worn by all employees.

People often choose to wear (5) _____ clothing inside their own home. This choice of clothing may be very different to the clothing they would normally wear outside.
