

Thinking and Predicting:

Student Name:

Think about TV and the internet and suggest possible answers to these questions.

- 1. What do people mean by “visual media”? Do people have different definitions of the phrase?
- 2. How have hand-held devices affect people’s lives?
- 3. How do viewers feel about television and the big screen? What is your opinion?
- 4. What is the main difference between passive and interactive viewing?
- 5. How can one become an influencer? How do influencers affect people’s lives?
- 6. Does screen violence affect people’s behavior? If yes, in what way?
- 7. Do all internet users or viewers become screen addicts? Why? Why not?
