SARA WENT SHOPPING

Sara Smith, a Pinewood resident, went shopping. She is 30, and has lived at 3037 N. Rosewood Street since 1992. Sara has been married to John for seven years. They have two children; Bob is five years old and Nancy is three. Sara owns a 1995 four-door blue Nissan Note. At 9 a.m., Sara got into her car and drove to Kelly's, a department store a mile away.

Kelly's was having a holiday sale. Sara bought a four-slice toaster for $29.95 tax included. The regular price was $39.95. She paid by check. On her way home, Sara stopped at Budget to buy a gallon of nonfat milk. The milk was $3.50. Sara got 50 cents back in change.

Sara arrived home at 10 a.m. John and the kids were still sleeping. She woke them up and then made a hot and nutritious breakfast for everyone.

1. Who is Sara's husband?

2. Where did Sara Smith go?

3. How much money did Sara spend that morning?

4. Write a summary of this story.
