## CLASSWORK NOTES

### WHAT IS "SACRIFICIAL GIVING"?

Sacrificial giving is one way to honour God.

Everything we have is a gift from God. Therefore, in thanksgiving to God, we give a portion of these gifts to advance His kingdom. These gifts include our **time**, **talents** and **treasures** (money).

Individuals can use their time, talents and money to honour God.

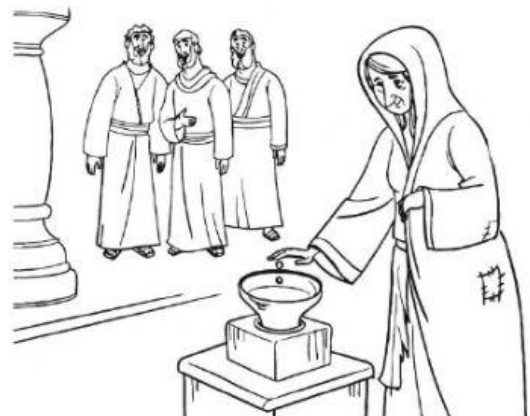

**Time** can be spent helping those who are sick and less fortunate.

**Treasure or Monies** can be donated to the less fortunate.

**Talents** can also be used to help others.

Christians need to have the **right attitude** when they give to God and others.

Jesus told a story about a poor widow to emphasize this point. The wealthy came to the temple and gave large sums of money so that everyone could see them giving. A poor widow gave two gold coins, all that she had. Jesus said that she gave more than all the wealthy people. She had the right attitude towards giving.

God loves a cheerful giver. (2 Cor. 9:7)
