## PHOTO CONTEST

### TANYA

Last November my parents gave me a camera for my birthday. I started taking photos of flowers, butterflies and cats and used some of them for a school project with the Art teacher. When she saw them she told me I should take part in the school photo contest because this year's theme was 'Creatures'. I couldn't believe it when I found out my photo was chosen as the best of all!

### GABRIEL

I often use my mobile to take photos when I see a beautiful landscape. My favourite subjects are sunsets, especially at sea. Last summer I took a photo of the sun going down when I was on holiday in Spain. It looked as if it was actually diving into the water! I decided to enter the school photo contest because all my friends loved it and said its colours were amazing. I didn't win any prize but the judges told me it was a lovely picture.

### ALEXANDER

My uncle is a magazine photographer and I'm his greatest fan. A few years ago he gave me an old camera he didn't need any more. I had to learn how to turn film into photographs. It's not like printing them out as it takes a long time and you need a dark room and special equipment. Anyway, my father said I should enter the school photo contest with a picture I took of a spider web on a wet day. I'm glad I did because I got the second prize!
