A day in the life ...

I live in London in England. I get up at half past seven in the morning. I have breakfast at eight o'clock. I go to school at half past eight. At school, I start lessons at nine o'clock. I have break at half past ten and I play with my friends. I have lunch at twelve o'clock. I go home at half past three. After school, I do my homework and I play on my computer. I also play football in the park with my friends. I have dinner at seven o'clock. I go to bed at half past eight.
