

EXERCISE 3

Choose the correct words to complete the story.

The department store in my town was having a discount /sale/sell last week – everything was 25% cheaper than usual. So I went to find some bargains/discount/sell . I love buying things that are cheaper than they should be.

In the footwear and bags department, I found a lovely bag, with a 40% discount/off/sale . It had a two-year fitting room/guarantee/receipt , so I could get my money back if it broke. Then I went to the womenswear department and found some nice trousers on discounts/refund/special offer . They were 50% of the normal price. I wanted to go to the fitting room/queue/till to try them on, but there was a long bargain/queue/sale – there were about ten other people waiting – and I didn't want to wait. So I went to the cash machine/fitting room/till and paid for everything.

When I got home, I tried the trousers on. They were the right size, but they didn't fit/pass/suit me at all – they looked terrible on me. So I decided to take them back and ask for a receipt/refund/return . But I couldn't find my footwear/receipt/shopping bag , so the shop assistant said he couldn't give me my money back. Next time, I'll be more careful when I shop at the sales.
