Student 1: Some things I've noticed about schools in France, there aren't a lot ofor organizedoffered through the school, **whereas*** in the US we have a lot of thatat school.

Student 2: They don't have school onafternoons, which, in England we do.

Student 3: They don't have to wear a school..... , which is good because they can justwhatever they want.

Student 4: I dislike the idea of wearing a uniform because I think it's I like to be able to work in comfortable clothes andmyself with what I wear.

Student 5: They keep all their at the Bac, **whereas*** we only keep four.

whereas* = alors que
