There once was a poor boy. His days was spent on the door-to-door selling newspapers to pay for school. One day, as he was walking his route, he started feeling low and weak. His stomach was empty and he was starving. So, he decided to ask for food when he came to the next door. The poor boy asked for food but was denied every time, until he reached the door of a girl. He asked for a glass of water, but seeing his poor state. But, instead of water, the glass of delicious milk was brought by the girl to the starving boy. The boy asked how much he owed the girl. But the boy was asked to just drink the milk without paying. Years later, the girl, who was now a grown woman, fell sick. She was told by the doctors that she needed an expensive surgery. Finally, she went to the best doctor in town. The girl was successfully cured by a competent doctor. Despite her happiness, she was afraid she couldn't afford to pay the bill. But, when the hospital handed her the bill, it read, 'Paid in full, with a glass of milk.' **5 points**
