TASK 1

- In this section, you are going to hear a museum guide describing a Picasso painting called *At the Lapin Agile*.
- Your task is to complete the sentences with the exact words you hear in the text. Write one word in each gap.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.
- Then, after a short pause, you will hear the recording again, but this time we will play the text in shorter sections to give you enough time to write down your answers.

✓ The painting is directly ...*behind*... the visitors in the ...*centre*... of the wall.

1. This sombre and somewhat picture, *At the Lapin Agile*, was painted in
2. Picasso gave the painting to the of the
3. For years, this was the only work by Picasso on in Paris.
4. The Harlequin has a brooding and expression.
5. Germaine Pichot was the wife of a
6. During a luncheon party in a café, Casagemas drew a and Germaine and himself.
7. Germaine was only but Casagemas
8. On the one hand, by dissociating himself from the scene, Picasso becomes a to the unhappy love affair.
9. On the other hand, Picasso is also a participant in the loneliness and so powerfully in this painting.
10. You can understand the story even without the of the characters.

That is the end of TASK 1.

[illegible]

TASK 2

- In this section, you will hear the story of the first Ford Mustang.
- Your task is to decide whether the following statements are true, false or we do not know because the text does not say, and write the appropriate letter in the boxes on the right. Write *A* if the statement is true, write *B* if the statement is false, and write *C* if the text does not say.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.
- Then, you will hear the recording again, but this time we will play the text in shorter sections to give you enough time to write down your answers.
- **A = TRUE** **B = FALSE**

C = THE TEXT DOES NOT SAY

✓ *Gail Wise bought the car two days before it officially went on sale.*

A

11. Gail had been looking forward to buying a Mustang for months.

1

12. Gail was used to cars with their roofs taken off.

7

13. The Ford Thunderbird would have been cheaper.

7

14. Her dad didn't trust the salesman very much.

1

15. The next day Gail drove downtown because she wanted everyone to look at her.

3

16. Gail's husband, Tom was an extremely careful driver.

7

17. Tom put a lot of energy and effort into repairing the car.

7

18. If it hadn't been for Tom, Gail would have sold the Mustang.

7

19. The car hadn't been exposed to bad weather conditions.

3

20. Besides taking the Mustang to car shows, the couple never drive their car now.

7

That is the end of Task 2.

TASK 3

- In this section, you are going to hear an account of an interesting experiment carried out in the U.S.
- Your task is to circle the letter(s) of the correct answer(s) in the boxes on the right. Please note that in this task both answers may be correct. However, there is always at least one correct answer. This means you will have to circle one or two letters.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.
- Then, you will hear the recording again, but this time we will play the text in shorter sections to give you enough time to write down your answers.

✓ In 2009 in San Francisco Honest Tea field marketers ... product samples.

- A) ran out of
B) watched as passers-by stole their

A B

21. To carry out the experiment, Honest Tea set up unguarded kiosks in ...

- A) each of the states of the U.S.
B) 61 different places.

A B
