

Ongoing assessment for the eighth activity

Read and complete the paragraph:

tourist available food care about services expensive

When I visit a country, I many things. First, if the

hotel is comfortable and clean, a will be relaxed all

the time. Moreover, if the restaurants' are good, there

will be more tourists. Having good transportation is necessary,

too. If transportation is , you will move easily from

one place to another. Every tourist likes to buy a souvenir, but if

they are , they will not be able to buy them.

Finally, can be one of the things I care about when

I visit a country. Delicious food can attract more tourists.
