

Beyoncé - If I Were a Boy

If I were a boy even just for a day

If I were a boy

I'd roll out of bed in the morning

I think I could _____

And **throw on what I wanted** and go

How it feels to love a girl

_____ beer with the guys

I swear I'd be a better man

And _____ after girls

I'd _____ to her

I'd kick it with who I wanted

'Cause I know how it _____

And I'd never get confronted for it

When you lose the one you wanted

'Cause they **stick up for me**

'Cause he's taking you for granted

And everything you had got destroyed

If I were a boy

I think I could _____

It's a little too late for you to come back

How it feels to love a girl

Say it's just a _____

I swear I'd be a better man

Think I'd forgive you like that

I'd _____ to her

If you thought I would _____ for you

'Cause I know how it _____

You thought wrong

When you lose the one you wanted

But you're just a boy...

'Cause he's **taking you for granted**

You don't understand...

And everything you had **got destroyed**

And you don't understand...

If I were a boy

How it feels to love a girl...

I would turn off my phone

Someday you wish you were a better man...

Tell everyone it's broken

You don't listen to her...

So they'd think that I was sleeping

You don't care how it hurts

Until you lose the one you wanted,

I'd put myself first

Cause you've taken her for granted.

And make the rules as I go

And everything you have got destroyed,

'Cause I know that she'd be faithful

But you're just a boy...

Waiting for me to come home, to come home

1 Find and **highlight** the examples of the 2nd conditional in the lyric.

2 Try to explain the words in **bold**.

3 Complete with your own ideas, use the 2nd conditional.

If I were a boy ...

If I were a girl ...

4 Try to make the sentences and come up with as many original and funny ideas as you can😊

If I were a _____, I would ...
