VIII. Read the text and write T for 'True' or F for 'False'. ____/10

My favourite singer is Leona Lewis. She's from London. She's a fantastic singer and she's very beautiful, too!

Leona always wanted to be a singer. She wrote her first song when she was twelve. When she was at school, she won lots of singing competitions. When she finished school, she wanted to become a pop star. But it's expensive to make a CD, and Leona had to work hard to save enough money. In 2006, she was working as a waitress in a pizza restaurant when she got a message from her boyfriend. He said, 'There's a talent show on TV. They're looking for Britain's top singer. You should enter the competition!'

So that's what she did. Everyone in Britain watched the show, *The X Factor*. In the beginning, there were twelve people in it, and every week, one singer had to leave. In the end, Leona won. My favourite song of hers is called 'Bleeding Love', and it was a big success all over the world. I've just bought her first CD, *Spirit*. I listen to it all the time!
