Dear Rangga

I hope you're just fine there. I'm fine as well here.

This Sunday is so lovely that I remember you. While I'm listening to my favourite music. I'm writing to you. I'm just writing to thank you for the t-shirt you sent last week. The t-shirt is very nice and I do really like it. The colour is blue and it's my favourite colour. The model is also simple and cutely. I really appreciate it. I don't know how to express my gratitude to you for your kindness. Honestly, I can't buy a t-shirt or other thing to you. But, I always pray for your luck and happiness. I was very surprised to get a package from you by post. I washed the t-shirt right away and I wore it the next day to hang out with my classmates. They said that I looked good and the t-shirt suited on me. They also asked where I bought it. Easily I told them that you gave it to me. You're my best friend ever.

Once again, thanks a lot for you always care about me. I'm looking forward to hearing from you.

With love

Tasya
