### III. READING

**A. Choose the correct words or phrases that best complete the passage.**

Dear Jane,

I'm sorry for not (31) \_\_\_\_\_ to you for two months. In my postcard sent to you when I was on vacation in July, I told you about a new friend of (32) \_\_\_\_\_, Lisa Moran, who lives near my uncle's farm in Napan Valley, California. You may be curious to know what she is (33) \_\_\_\_\_.

Well, Lisa is of our age – 17 – and not very tall or slim. In fact, she has (34) \_\_\_\_\_ rounded shoulders and a plump face. The best (35) \_\_\_\_\_ on Lisa's face are her green eyes and the two dimples on her cheeks. She (36) \_\_\_\_\_ lively with her hair cut short and dressed in (37) \_\_\_\_\_ clothes – jeans and a T-shirt. When I first met her at my cousin's birthday party, I was attracted by her (38) \_\_\_\_\_ and pleasingly direct manners. Curiously enough, Lisa has the same (39) \_\_\_\_\_ in music as you and I.

That's (40) \_\_\_\_\_ about Lisa for the moment. How have you been doing with your school work? Please write soon.

Best wishes

Ann Maxfield

| 40. a. all           | b. enough      | c. end           | d. most       |

**B. Read the passage carefully, then choose the correct answers.**

Having a best friend to confide in can bring a positive effect on our emotional health. An evening out with the closest friend may be the best guarantee of a good time. In fact, our best friend can prevent us from developing serious psychological problems such as depression and anxiety.

Best friendship evolves with time – we cannot go out and pick our best friend. We become friends with people who share common interests – at school or through hobbies, for example.

Best friends have usually known each other for years and stuck together through good and bad times. If you haven't got **one**, perhaps you are being too distant from people, or focusing too much on your work.

41. A best friend can \_\_\_\_\_.

- |                            |                                  |
|----------------------------|----------------------------------|
| a. give us a healthy life  | b. go out with us in the evening |
| c. spend much time finding | d. share joy and sadness with us |

42. Close friends need to \_\_\_\_\_.

- |                             |                            |
|-----------------------------|----------------------------|
| a. study at the same school | b. have the same interests |
| c. pursue the same hobbies  | d. spend time together     |

43. According to the passage, \_\_\_\_\_.
- a. it takes a lot of time to make close friendships
  - b. we can go out and choose a good friend easily
  - c. best friends have good and bad times
  - d. It's very difficult to make lasting friendships
44. The word 'one' in the last paragraph refers to \_\_\_\_\_.
- a. good time      b. bad time      c. a friendship      d. a close friend
45. Which of the following sentences is not mentioned?
- a. We often have satisfaction being with a close friend.
  - b. the ties of close friendship will never be broken.
  - c. An unsociable person may not have a close friend.
  - d. Friendships need time to develop.
