Homework Week 6 Day 4

Directions: Read the genre descriptions and choose the genre that best describes each.

• Fiction story (usually long) • Often has talking animals • There's usually wizardry or magic	Nonfiction / Fantasy / Tall Tale
• Fiction story set in the past, based on what life was really like • Characters and events may be real or made up • Events teach readers what life was like at that time in history	Historical Fiction / Humor / Fairy Tale
• Fiction story • An animal is usually the main character • The story usually teaches a lesson	Fable / Fantasy / Folk Tale
• Fiction Story • Events and setting could actually happen in real life even though the story is made up • Characters have real-life problems	Nonfiction / Realistic Fiction / Humor
• Fiction story • Characters could include princesses, princes, kings, queens, wizards, witches, and giants. • most have happy endings	Fairy Tale / Historical Fiction / Folk Tale

Virginia Studies Homework:

****Please be aware that this has to be hand graded due to ordering, if not entered the way it is coded, it will mark it wrong, therefore, we will look at it individually**

Click and drag the boxes to the correct columns of the chart to show what you know about Virginia's five regions.

Appalachian Plateau	Valley & Ridge	Blue Ridge Mountains	Piedmont	Coastal Plain (Tidewater)
	Both:			

Flat land

located in southwest Virginia

source of many rivers

west of the Fall Line

part of the Appalachian mountain system

includes the Great Valley of Virginia

rolling hills

near the Chesapeake Bay

includes the Eastern Shore
