THE LIFE OF A FOOD BLOGGER

The life of a food blogger is a busy one. Every day, I try out new ¹ _____ so that I can put them on my blog. Sometimes, I create something delicious straightaway but often the dishes can be a little ² _____ at first. I have to keep working on them until I'm satisfied with them. Once I've got the ³ _____ right and the food looks good, I take a photo of it. I upload it to my blog with a list of ⁴ _____ and instructions on how to make it. Sometimes, I invite friends round to taste it and take photos of them, too. I make a ⁵ _____ of food types but I try to make sure that everything I make helps to form part of a healthy ⁶ _____. I eat this food every day so that's important for my own health as well as the health of the readers of my blog!
