

"The call" by The Backstreets Boys

"Hello"

"Hi, it's me, what's up, baby?

I'm sorry, listen, I'm gonna be late tonight

So don't stay up and wait for me, okay?"

"Where are you?"

"Say that again?"

"Hello?"

"You're really dropping out

I think my battery must be low

Listen, if you can hear me

We're going to a place nearby, alright?

Gotta go!"

Let me tell you the story 'bout the call that changed my destiny

Me and my boys went out just to end up in misery

Was about to go home when there she was, standing in front of me

And said, "Hi, I got a little place nearby, wanna go?"

I should've said, "No, someone's waiting for me"

But I called my girl up and said

"Listen, baby, I'm sorry

Just wanna tell ya, don't worry

I will be late, don't stay up and wait for me"

"Say again? You're dropping out, my battery is low

Just so you know, we're going to a place nearby

Gotta go!"

Now two years gone, nothing's been won

I can't take it back, what's done is done

One of her friends found out that she wasn't my only one

And it eats me from inside that she's not by my side

Just because I made that call and lied

"Listen, baby, I'm sorry

Just wanna tell ya, don't worry

I will be late, don't stay up and wait for me"

"Say again? You're dropping out, my battery is low

Just so you know, we're going to a place nearby

Gotta go!"

Listen, baby, I'm sorry (hello?)

Listen, baby, I'm sorry (hello?)

Gotta go

Let me tell you the story 'bout the call that changed my destiny

Gotta go

"Listen, baby, I'm sorry
