My Dance Class

My name is Olivia. Today is my dance class. We have dance class two times each week. My dance class is at St. Hugh's Preparatory School. I go to dance class by bus. My dance teacher is Miss Emma. She is teaching us ballet dance. We are preparing for a park party on Tuesday, September 27, 2022 at the National Park. Today when I get to dance class, I will warm up by doing splits and twirls. I am so excited for this year's park party because the last time I fell and that made me very sad.
