FILMS VOCABULARY

Read the posts about different films, guess the meaning of the words in red and select the correct translation into Spanish.

The setting of the film is 18th century England, but the hero and heroine don't seem real at all. Choose a better film to see at the weekend.

SETTING-

HEROINE-

According to the trailer, it's for audiences of all ages. But after seeing the film, I disagree. I think it's only for young viewers. I'm sorry, but most adults don't enjoy this type of film.

TRAILER–

AUDIENCE–

VIEWER-

What can I say? It's another wonderful film by the best director in the industry! The plot is amazing. Go and see it now.

DIRECTOR–

PLOT

What a soundtrack! I really love the songs in this film.

SOUNDTRACK-

The special effects, especially the snowstorms and avalanches, are good, and the costume designer and the make-up artist are good too. Well, I see Oscars in the future.
