

Friends: Barbados hair....

INTRODUCTION SCENE ONLY

Monica: Ok! When I go places with high humidity, it gets a **little** extra body, ok?!

Rachel: Hey! Hey what's going on?

Joey: Everything is upside down here! It rains all day long, nobody watches tv and **Ross** is famous!

Joey: Oh! Hey! Thank God you guys are here!

Rachel: Alright, I don't wanna alarm anybody, but Monica's hair is twice as big as it was when we landed!

Joey: Come on, I'll show you guys where to check in (Joey, Chandler and David leave)

Monica: (to Chandler) Oh, honey, can you make sure we get a King size bed!

Rachel: Ooh! You guys are so lucky you are here with people, you know it's such a romantic place. That's all, I just wish I could share that with a guy.

Chandler: That's why our honeymoon photos look like me and Diana Ross!

Monica: And make sure our room isn't next to theirs.

Phoebe: Not Joey.

Rachel: Not Joey, no, I was just lusting after Chandler.

Monica: Yeah, right!

Phoebe: Oh! David, get one for us too! Oh, oh, and see if they have a heart-shaped one! And with mirrors on the ceiling!
