

Activity (c)

What does the doctor say? Write *Why* or *When*. There are two examples.

Examples

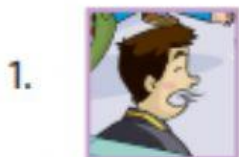

----- **Why** ----- have you come to see me today?

----- **When** ----- did you hurt your shoulder?

Questions

----- did your cough start?

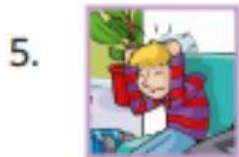

----- do you think you have stomach-ache?

----- did you last take your temperature?

----- did you get this terrible cold?

----- didn't you come to see me yesterday?
