

L193 We always get together at Christmas

CLOSE FRIENDS

My husband and I are very lucky. We have many close friends in this city, and they're all interesting people.

Our friend Greta is an actress. We see her when she isn't making a movie in Hollywood. When we get together with her, she always tells us about her life in Hollywood as a movie star. Greta is a very close friend. We like her very much.

Our friend Dan is a scientist. We see him when he isn't busy in his laboratory. When we get together with him, he always tells us about his new experiments. Dan is a very close friend. We like him very much.

Our friends Bob and Carol are famous television news reporters. We see them when they aren't traveling around the world. When we get together with them, they always tell us about their conversations with presidents and prime ministers. Bob and Carol are very close friends. We like them very much.

Unfortunately, we don't see Greta, Dan, Bob, or Carol very often. In fact, we rarely see them because they're usually so busy. But we think about them all the time.
