

A detailed map of the Americas, including North, Central, and South America. Countries are color-coded: Canada (light green), Estados Unidos (purple), México (yellow), Central American countries (various shades of green and orange), Caribbean islands (orange), and South American countries (various shades of yellow, orange, and pink). Major cities are marked with black dots and labeled. The map includes latitude and longitude lines, a scale bar (0 to 2,000 km), and a compass rose. The text 'Proyección politónica' and 'Fecha: 2017' are visible at the bottom left. The logo 'DM DICCIONARIOS.NET' is at the bottom right.
