

Worksheet

Read and match.

The Inuits live in Canada near the Arctic Circle.

Inuits have different types of igloos. They build a small igloo for hunting trips. They only stay there for one or two nights.

It is much warmer inside an igloo than outside.

The Inuits can make fires inside an igloo. They also cook inside the igloo.

Inuit people sleep on caribou skins and sealskins in igloos. Sometimes they have fur sleeping bags.

Read and circle T (true) or F (False).

1. The Inuit live in Canada

T

F

2. They live in the same igloo all their lives.

T

F

3. They use big igloos for hunting trips.

T

F
