Read, drag and drop the correct pictures.

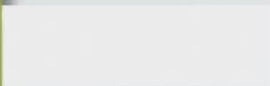

I'm Larry, the ugly magician.
I want to be attractive and
handsome. Let's make a potion.

I need rooster's feathers.
They feel soft.

Two beetles.
Oh, they're hard.
One fish. Yuck! It smells bad.

It's salty! Let's put in three
bees and some honey to
make the potion delicious.

Now, let's drink the potion.
Mmm... it tastes sweet.

Oh, no! This isn't a
good potion!
