Subject: Sunny Spain

Hi Laura,

Hello from sunny Cadiz! This is my third day here and my Spanish is already better! Marta and her family live in a flat near the sea. It's smaller than our house, but it's more modern. There are three bedrooms. Marta's is the biggest and we're both sleeping in it. I'm sleeping in a bed near the window. Marta's bed is bigger than mine, but mine is more comfortable. The kitchen is larger than ours at home, but the best thing is the balcony. There's a table and some chairs on it and we eat breakfast outside. The view is fantastic. Marta's mum loves flowers so there are loads of plants on the balcony, too.

Cadiz is the oldest city in Spain and it's brilliant. It's more exciting than Shipley. That's not hard – the most interesting place in Shipley is the park!

See you next week.

Kerry xx

PS Spanish food is fantastic! It's tastier than English food and cheap
