

You take my self control

Listen to the song and write the missing words. Are these words important?

Oh, night my world
City light painted girl.
..... day nothing matters
It's night time flatters

..... night, no control
Through wall something's breaking
Wearing white you're walkin'
Down the street my soul

You take my self, you take my self control
You got me livin' only night
Before morning comes, story's told
You take my self, you take my self control

Another night, another day goes by
I never stop myself wonder why
You help me to forget play my role
You take my self, you take my self control

I, I live among creatures night
I haven't got will to try fight
Against new tomorrow, I guess I'll believe it
..... tomorrow never comes

..... safe night, I'm living forest my dream
I know the night is not would seem
I must believe something, I'll make myself believe it
..... this night will never go

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh (Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh)

Oh, night is world
City light painted girl
..... day nothing matters
It's the night time flatters

I, I live among creatures night
I haven't got will to tryfight
Against new tomorrow, I guess I'll believe it
..... tomorrow never knows

.....safe night, I'm living forest dream
I know the night is not would seem
I must believesomething, I'll make myself believe it
.....this night will never go

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
You take my self, you take my self control
