

How are you? I can't wait for the picnic at the beach on Saturday! I think we'll have a lot to eat. I've got some crisps and drinks, and if I

(get up) early on Saturday, I

1 (bake) some cakes, too.

What ² (we / do) if it ³

(rain) on Saturday? Perhaps we could have an indoor picnic at my house! If I ⁴

(ask) my mum nicely, perhaps she ⁵

(say) yes!

I think there will be you, me, Maya and Rachel.

But I spoke to Maya earlier and she's ill. If she

6 (not feel) well on Saturday, she

7 (not come), W
..... (not come).
