I take the 5:47 PM G bus home from work every day. There are some very special rules of DRAG ITEM HERE for the G bus. The riders and the driver are the same every day. You can DRAG ITEM HERE that. Our driver, Mario, DRAG ITEM HERE most of the rules. But he is not DRAG ITEM HERE about it. He is very kind. It's OK to DRAG ITEM HERE with other riders and say, "Hello, how are you?" But don't have a long conversation. Everyone is tired at the end of the day. Even when the bus is very crowded, don't DRAG ITEM HERE the door. Mario will tell you to stand to the side. If you DRAG ITEM HERE, always use a tissue. Mario always has a box at the front of the bus! If the bus is crowded and you have a seat, offer to hold people's bags so that they can have a free hand to hold on to a DRAG ITEM HERE. If DRAG ITEM HERE people get on the bus, always give them the front seat. The ride is always DRAG ITEM HERE and relaxing, not like the city buses! People on the city buses have no DRAG ITEM HERE LIVE**LIVEWORKSHEETS** at all!
