

SCHOOL SCHEDULE

Look at Tom's timetable. Answer the questions.

A colorful school timetable for Tom. The days of the week are listed on the left: Monday (orange), Tuesday (light orange), Wednesday (yellow), Thursday (light blue), and Friday (teal). Each day has four time slots represented by boxes. The first slot for Monday contains a girl with numbers 1, 2, 3, 4. The second slot contains books. The third slot contains musical notes. The fourth slot is empty. Similar patterns are followed for the other days, with some variations in the icons (e.g., a boy with numbers on Wednesday, science equipment on Thursday).
