PART 3 *Questions 21–30*

Questions 21–26

*Choose the correct letter, **A**, **B** or **C**.*

Work experience for veterinary science students

21 What problem did both Diana and Tim have when arranging their work experience?

A making initial contact with suitable farms
B organising transport to and from the farm
C finding a placement for the required length of time

22 Tim was pleased to be able to help

A a lamb that had a broken leg.
B a sheep that was having difficulty giving birth.
C a newly born lamb that was having trouble feeding.

23 Diana says the sheep on her farm

A were of various different varieties.
B were mainly reared for their meat.
C had better quality wool than sheep on the hills.

24 What did the students learn about adding supplements to chicken feed?

A These should only be given if specially needed.
B It is worth paying extra for the most effective ones.
C The amount given at one time should be limited.

25 What happened when Diana was working with dairy cows?

A She identified some cows incorrectly.
B She accidentally threw some milk away.
C She made a mistake when storing milk.

26 What did both farmers mention about vets and farming?

A Vets are failing to cope with some aspects of animal health.
B There needs to be a fundamental change in the training of vets.
C Some jobs could be done by the farmer rather than by a vet.
