### SPORTS FACILITIES AND ATHLETICS

There's a big new sports centre near my home. There are football \_\_1\_\_, tennis and basketball \_\_2\_\_ in the central part of the sports centre.

The swimming \_\_3\_\_, a sports hall with two boxing \_\_4\_\_ are situated farther from the main entrance gate. There is even a skating \_\_5\_\_, which was built in a picturesque place near the lake.

There is also a separate athletics \_\_6\_\_, where 20,000 \_\_7\_\_ can watch the track \_\_8\_\_ on the track and the central events such as jumping and throwing, in the grass centre.

Around the field there are special places for the athletes to rest and for their \_\_9\_\_ to give the final instructions to the athletes.

The \_\_10\_\_ get ready in modern changing rooms and the \_\_11\_\_ time and measure the events with modern equipment. A huge electronic \_\_12\_\_ shows the results.
