Unit 4

Listening script [07]

Part2 listen and write no more than **TWO WORDS** and/or a number

Presenter: Where did you stay on your summer (1)…….. programme ?

Anna: I stayed with a (2)……in a small village just outside the city of Seville. Most people in the city live in(3)……., but my host family lived in a big house. The family had a (4)……who was my age called Carmen, so we had lots of fun together. We also visited Carmen's (5)…….who live on a farm in the countryside. As I love animals, it was a really good experience for me.

Presenter: How wonderful! How long are exchange programmes usually?

Anna: Well, most of the language exchange programmes last for (6)…….but the sports and music exchange programmes last for four weeks. If you go on a language exchange programme in August, you can go for three weeks because it's the school holidays. I went on a language exchange to Spain in(7)……., so I could only stay for two weeks, unfortunately.

Presenter: Who can take part in the programme?

LIVEWORKSHEETS

Anna: Well, there are some (8).....for the programme. You must be over the age of fourteen to take part in the language exchange programme and sixteen for the sports and (9).....programme. If you want to take part in the sports and music exchange programme, you have to be on a school sports team or play in the school orchestra. You can only take part in the language exchange programme if you study(10).....

Presenter: I see - so would you recommend this programme to other students?

Anna: Yes, definitely. I had a great time staying with Carmen and her family. I felt a bit homesick when I first arrived, but they were so friendly and welcoming. Carmen spoke really good English, so I was worried that I wouldn't improve my Spanish, but I always tried to speak Spanish with her parents. My language skills have improved a little bit, but I think that it's better to stay for three weeks because you have more time to practise the language.

Presenter: The whole programme sounds really interesting, Anna - thank you for telling us about it.
