

## Advanced WS\_Grade-4\_(Number System)

Round off Numbers up to 5 Digit

|            |                       |
|------------|-----------------------|
| 1) 99,135  | 99140 ; 10000 ; 99000 |
| 2) 67,505  |                       |
| 3) 17,125  |                       |
| 4) 45,348  |                       |
| 5) 26,077  |                       |
| 6) 60,052  |                       |
| 7) 41,062  |                       |
| 8) 93,578  |                       |
| 9) 12,553  |                       |
| 10) 50,195 |                       |
| 11) 76,073 |                       |
| 12) 63,521 |                       |
| 13) 61,453 |                       |
| 14) 46,854 |                       |
| 15) 90,111 |                       |
| 16) 71,260 |                       |
| 17) 51,353 |                       |
| 18) 59,540 |                       |
| 19) 24,240 |                       |
| 20) 56,348 |                       |
| 21) 41,898 |                       |
| 22) 30,778 |                       |
| 23) 18,168 |                       |
| 24) 28,655 |                       |
