Escribe una carta a un compañero o compañera de clase. No olvides incluir en la carta todos sus elementos.

The image shows a template for writing a letter on aged, textured paper. The template consists of several distinct areas for text:

- A large, central rectangular area with rounded corners, intended for the main body of the letter.
- A smaller, horizontal oval area positioned above the main body, likely for the recipient's name or address.
- Two horizontal oval areas positioned below the main body, likely for the sender's name and address.
