Remedial worksheet

Diagnostic test

Formative test

Skill

Past simple tense negative form with didn't + bare infinitive

Student name

Class

Date:

Achievement

Achieved

Not achieved

Brief Explanation

We use the **past simple**, in its **negative** form, to deny situations that occurred and finished in the past.

When we use the past simple in its negative form, we start with the subject followed by **did not** and the base form of the verb.

Application

1-We didn't (go-went-going) to the club last week.

2-She didn't (watched-watching-watch) the match.

Evaluation

1-Sara didn't pizza for dinner.

a- ate

b- eat

c- eats

2-Mum didn't me a mobile.

a- buys

b- buy

c- bought
