MODAL VERBS

We use modal verbs to modify the meaning of a sentence and express a particular mode. Modals are ALWAYS used with another verb.

What are the requirements to get a driver's license in Colombia?

Does everybody need to learn English to be a good professional?

"Women have to join the army" Do you agree?

Does university education need to be free and accessible for everyone? Why?

Your friend wants to reunite with his/her old boyfriend/girlfriend, but you remember that their relationship was terrible. What do you tell him/her?

Can a man and a woman be friends?
