Task 3 ***

Rephrase sentences so they have the same meaning. Use a prompt word to help you. Be careful with tenses (for example, if you have Present Simple in the original structure, write the same in a new sentence).

Example:

fond

I love romantic dramas – they often have an interesting story that sometimes makes me cry.

*I **am fond of** romantic dramas – they often have interesting story that sometimes makes me cry.*

get

It's great that today we can message our friends on social networks like Facebook or Instagram, especially when we stay in different countries.

_____

_____

common

We share a lot of similar interests with Greg that's why we are best friends.

_____

_____

keen

She loves art galleries! If she could, she'd visit them every day.

_____

_____

down

Don't trust Kate, she will not do what she promised but only what she wants!

_____

_____

know

LIVEWORKSHEETS

When I met her, I thought she was very selfish but then I realized she is a caring, sensitive girl.
