Subject:	Hi

Hi Tony,

1) the programme about Leonardo da Vinci on TV last night? He 2) a brilliant artist, inventor and musician. He designed lots of machines and painted famous pictures like the *Mona Lisa*. He also discovered many things about science. People at the time 3) understand how one man could be so clever. Even today, we still find him amazing. I can tell you more about him when I see you next week.

Kevin

Choose the correct item.
