NAME

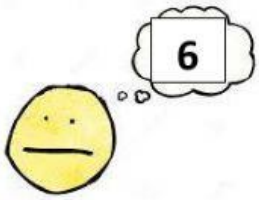

ADDITION

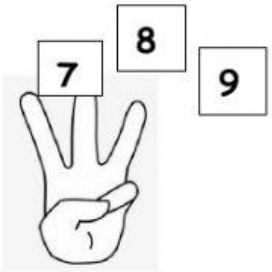

Pretend to put the bigger number in your head and the smaller number in your fingers (if the number is 3, put 3 fingers up)

SAMPLE:

6 + 3

Start counting from **6**, then continue counting using the 3 fingers.

So, the answer is 9

1. **10 + 5 =**

2. **4 + 8 =**

3. **8 + 5 =**
