ANIMALS

Animals and Their Young Ones.

Animals reproduce. Some animals lay eggs, while some animals give birth to their babies.

A hen's young one is a chick.
a duck's young one is a duckling.
A cat's young one is a kitten.
A puppy is the young one of a dog.
The young one of a goat is a kid. The young one of a deer is a fawn. The young one of a sheep is a lamb. The young one of a cow is a calf. The young one of a kangaroo is a joey. The young one of a pig is a piglet. And the young one of a lion is a cub.

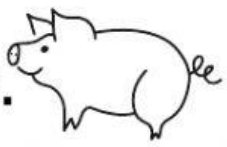

Look at these baby animals and write their names.

1. _____
